II2 – Triathlon (100m, long jump and shot put)

Youth Competition (II1 only)

The Youth competition will be conducted as a combined events competition with athletes using their best three-point scoring events to score. Youth competitors are allowed to compete in any of the offered events. Medals will be presented for the overall Total only not individual events.

Minimum Qualifying Standard Exemptions.

The following exemptions to minimum Qualifying Standards have been approved by the Organising Committee

1. Developing member nations may enter 1 athlete in each event who has not met the minimum qualifying standard.
2. Athletes who have qualified in one event may also enter an additional similar event without meeting the minimum qualifying standard.

Virtus Eligibility.

All OAGames 2022 sports and demonstration sports are open to II1 category: athletes with an intellectual impairment. Subject to viability some sports may include competition categories for II-2 (athletes with an intellectual disability and significant additional impairment), and / or II3 (athletes with autism - no intellectual disability).

For more information on eligibility please refer: <https://www.virtus.sport/applying-for-athlete-eligibility>
